

# Screen premier for Nag

A NEIGHBOURHOOD Action Group (Nag) has gone online.

Ascot, Sunninghill and Sunningdale Nag has set up a website packed with useful, up-to-the-minute information for people who live and work in the area.

Produced by Nag member, Lindi Hill, the website also has a section on the neighbourhood priorities identified by residents – burglary, anti-social behaviour, speeding and parking – and actions taken by the Nag to address them. The site features crime reduction advice and neighbourhood watch information, contacts and links to other websites.

One of the sections, aimed at younger people has details of the Kotch youth club at Ascot Racecourse.

The Nag will meet at 7.30pm on Wednesday at the Pavilion at Ascot Racecourse, High Street.
